A Dull Capitol-The December Pay of Concressional Employees-The Ways and Means Committee-Mr. Carlisle's Difficul-Sensiter Brown Wants Free Apple Brandy, &c.—Friences of the District of Columbia—Personal News Items—How Virginia Claim—A Handseine Present for the Late Acting Secretary of the Senate—Brief News Items, &c.

Brief News Items, &c.

Mr. Stone, of East Felecinia, attacked is the platform; which as thoroughly identified therewith as he being denied, he said he would not accept (Prvor) or his American cheints desired by reason of the adverse feeling among the people, although the English counsel were willing that the General should appear in the trial prominently. The report is accompanied by a copy of all the correspondence in the case, which shows that in the opinion of O'Donnell's friends a strong prejudice had been greated.

From Our Regular Correspondent. Washington, December 21.-Neither House was in session to-day, and not even a committee meeting relieved the dullness that pervaded the Capitol. A great many members of both Houses have gone home, so it is probable that Mr. Carlisle will announce his committees to empty benches. Mr. Edmunds, the President pro tem. of the Senate, returned from New York today and signed the resolution to pay congressional employés their December com-

It is not strange that the greatest interest should prevail here in regard to the east should prevail here in regard to the constitution of the Ways and Means Committee, for it not only reports on all mathematics, for it not only reports on all mathematics and the safe of one of the nuc, but it has special privileges on the effor of the House. I know that Mr. Carlisle has changed some of his selections for this committee several times, and that he tings it most difficult to satisfy all interested. For example: Mills and Hancock have at different times been off and on. There has been of and on. There has been of doubt, however, in regard to Morrison. Hurd, Hewitt, and Blackburn. Herbert and Blount, it is agreed to-night, will son, Hurd, Hewitt, and Blackburn. Herbert and Blount, it is agreed to-night, will could accuse no man of taking part in the certainly be members of this committee. It is also agreed that Kelly, Hiscock, McKinly, and Kasson will represent the Republicans. Mr. Cabell's friends think that his long experience in Courses and his found.

Joseph Medill, of the Tribune, said he sulted to-day in the Supreme Court and resulted in a verdiet for the plaintiff. General Rogeg A. Pryor was counsel for General Longstreet.

"A Great Sinner" Hanged. his long experience in Congress, and his familiarity especially with all matters con-

tax to the Federal Government—leaving the taxation to the States. If this bill could "Has any exbecome a law it would greatly help the people of Patrick, Franklin, Grayson, and other frunt-growing counties of Virginia. There are bills already before the House of There are bills already before the House of the Rouse of the Character. The present tax amounts, it is claimed, to a prohibition, as far as most fruit-growers are concerned.

"I have," replied Mr. Stone.

"I have," replied Mr. Stone.

The same witness also intimated that if the concerned of the

It seems conceded that Mr. Barbour will be chairman of the Committee on the District of Columbia, and this gives satisfaction to the people of Washington, because no member of the House is more familiar with their wants then he is Mr. Loron.

The same witness also intimated that if the grand jury was really in search of information, however, show that death had resulted from the blow.

A subpona is also out for Mayor Harrison, and he will be heard on his return to the city.

The Dailu News this marginess section to the city. be chairman of the Committee on the District of Columbia, and this gives satisfaction to the people of Washington, because no member of the House is more familiar with their wants than he is. Mr. Ingalls, who is chairman of the Senate Committee, also takes great interest in all that affects the regarding now has a population of 180,000, and thinks it was wise in the framers of the republic not to locate the seat of government in any large manufacturing or commercial city. Had New York or Baltimore been the capital in 1876, he believed increased a thousandfold. He thinks Washington ought to be in all of its appointments a fitting representative of the wealth, taste, and grandeur of the American people.
